

EMBRACE YOUR GIFTS!

Seniors are leaders with knowledge, experience and a unique, long-term perspective on humanity and the world.

These gifts can be overlooked as you age and are faced with the possibility of physical limitations.

The Thomas Center for Senior Leadership offers an opportunity to live within a community designed with supports that minimize these limitations, so you can focus on living a full, active life that honors your gifts and your unique story.

Thomas Center for Senior Leadership

A FAITH-BASED,
INTENTIONAL LIVING
COMMUNITY

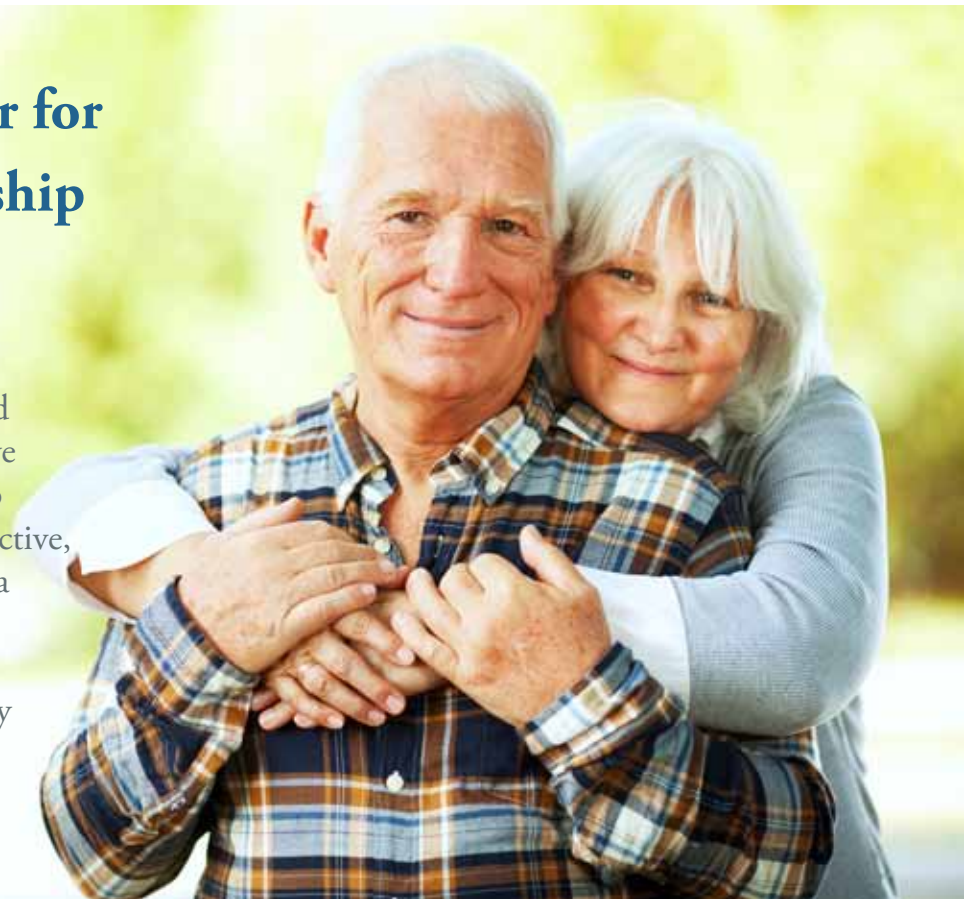

Discover camaraderie and community when you live among other seniors who share your desire for an active, vibrant lifestyle. Choose a studio, one-bedroom, or two-bedroom unit in the Thomas Center and enjoy many benefits:

BEAUTIFUL, SAFE LOCATION

The Thomas Center is nestled into a wooded hill on the St. Mary's Episcopal Church campus, offering a convenient mid-town location that captures the beauty of nature along with modern facilities. Controlled after-hours access, security cameras, an on-site manager and live-in resident assistant enhance the feeling of safety and serenity at the Center.

COMMUNITY-BUILDING

Regular educational, social and exercise activities make it easy to engage in the community at the Center. Close proximity to St. Mary's Episcopal Church encourages relationship-building across the generations within the larger church community.

DESIGNED FOR ACTIVE RESIDENTS

All units are wheelchair accessible. Heated parking options make it easy to stay mobile, with your car right on site.

EASY, CAREFREE LIVING

A thoughtful mix of services and amenities allow you to free up your time. Groundskeeping, weekly housekeeping and ten nutritious meals a week are included. Shared living spaces include a fenced-in garden outside, where you can take advantage of raised beds, and a patio with grill and firepit. Inside, residents enjoy the use of a lounge, exercise room, crafts room and open design commercial kitchen for special occasions.
